

1      **In the Drawings:**

2      A replacement drawing sheet for Fig. 5 is included herein. This sheet  
3      contains the identifier "Replacement Sheet 12-5-06" in the page's margin. In Fig.  
4      5, an "Ack" element is added along with a corresponding designator "535". This  
5      amendment is supported by the specification as originally filed as noted by the  
6      Office.
